

**Memorandum of Understanding
(MOU)
between**

L. N. Mishra Institute of Economic Development & Social Change, Patna

and

Chandragupt Institute of Management, Patna (CIMP)

Lalit Narayan Mishra Institute of Economic Development and Social Change (LNMI), Patna, proudly signed a Memorandum of Understanding (MoU) with **Chandragupta Institute of Management Patna (CIMP)**—a premier management institution in Bihar in 2023.

The strategic partnership reflects the shared vision of both institutions to foster academic excellence, research collaboration, and capacity-building initiatives in the fields of economics, management, and social development.

Under the terms of the MoU, LNMI and CIMP agree to collaborate in the following key areas:

- **Joint Research and Publications:** Encouraging faculty and student research on contemporary issues of management and economic development.
- **Academic Exchange:** Promoting exchange of faculty, students, and academic resources to enhance teaching and learning outcomes.
- **Capacity Building Programs:** Organizing workshops, seminars, conferences, and training sessions for students and professionals.
- **Consultancy and Development Projects:** Undertaking collaborative consultancy assignments and policy-oriented projects that contribute to regional and national development.
- **Internships and Placements:** Facilitating student internships and creating industry-oriented placement opportunities through mutual cooperation.

This MoU marks a significant step in strengthening inter-institutional cooperation in Bihar and creating a vibrant ecosystem for knowledge sharing and socio-economic transformation. Together, LNMI and CIMP aspire to shape a future driven by innovation, inclusion, and impactful leadership.
